CORAM : F.I.REBELLO &

DR.D.Y.CHANDRACHUD, JJ.

8th September, 2005.

P.C. :

1. On behalf of Respondent No.1, learned counsel states that the University has now taken a policy decision that wherever the State Government has granted a No Objection Certificate, they will consider the said proposals. In the instant case, the Petitioners have no objection from the State

Government. In the light of that, the local inspection committee has already been appointed, Learned Counsel brings to our notice a letter dated 6th September, 2005 sent to the members of the committee. It is pointed out that the said committee requires some time to submit its report to the academic council and for the academic council to consider the report. The entire exercise will be completed within six weeks from today. Statement accepted.

2. On behalf of the Petitioners, learned counsel points out that the Dental Council has filed an affidavit setting out that there is no requirement that the college must have its own hospital and can tie up with other hospital. Respondent No.1 to consider the said aspect.

3. In the light of that, nothing further survives in this Petition. The Petition is disposed of accordingly.
